## Empowerment Workshops

### Ashley Steele—Bridges Out of Poverty

Ashley Steele, Urban Missions Ministries. This is not a program, but a new way to think and talk about poverty. She asks *"What would it actually look like to have a community where no one is left behind?"*

### Solar Oven Partners

Rick Jost, Director discusses using the free energy of the sun to save money, cook food and improve women and children's health in the Dominican Republic.

### Haitian Artisans for Peace International, Mizak, Haiti

Valerie Mossman—Celestin developed a community self help program in Mizak, Haiti which has grown and flourished in this tiny community. Program strategies and lessons learned.

### Community Based Primary Health Care, 101

Rev. Jeremy Basset, Director, Office of Mission for the Oklahoma Conference leads us in the process of Health Care "With" not "For" the local people.

### Community Based Primary Health Care, 201

Dr. Carol Meynen takes us on her last few missions to Senegal where local people have been empowered to become Community Health Workers.
