Health Care Team to Senegal, 2016

Resourcing the conferences of the North Central Jurisdiction as they go to serve across the USA and around the Globe!

# OUR PROGRAMS

## 1. CONSTRUCTION/DISASTER RESPONSE

The majority of mission Journeys continue to be construction related. Long term recovery teams for Disaster Response fit here. Early Response Teams (ERT) are specialized and trained teams.

Camphor Mission Station, Liberia, 2016

ERT to NW Detroit Flood Recovery, 2016

## 2. MISSION DISCOVERY

Mission Discovery focuses youth and young adults on United Methodist mission journeys of discovery to stretch their faith and service in the USA and internationally.

Mission Discovery and Ecuador, 2017

## 3. HEALTH CARE, RX CONNEXION

Health Care Journeys are increasingly focused on principles of Community Based Primary Health Care.

## 4. EDUCATION, TEACHUM

Educators are needed everywhere! Teach in a classroom, offer Vacation Bible School, educate lay pastors in new church starts!

Henryville reconstruction, 2015

Dominican Republic, 2016

## OUR MISSION

Promote best practices as representatives of Jesus Christ and the United Methodist Church while on a mission journey or as an individual volunteer.

Resource Conference UMVIM and Disaster Response Coordinators.

Establish, resource and promote project sites in the United States at the invitation of the United Methodist Conference it resides in.

Train United Methodists to be leaders who are in missional connection with and culturally in tune with their hosts.
