Construction  
Teams

These programs need your ongoing prayers and financial support. Teams of Seniors, Adults and Young Adults, working in construction, disaster response, education, evangelism and medical/dental/eye care are going forth from your church to show God's "Love In Action" in the United States and abroad. Your support will help foster more volunteers for the Harvest!

**Please tear off this portion and send it with your contribution to the UMVIM office...**
