TERMS OF BENEFIT PAYMENTS

We will pay the benefits specified in the DESCRIPTION OF BENEFITS section to all Insureds who suffer a loss within the Scope of Coverage due to Injury.

FULL EXCESS MEDICAL EXPENSE (TBFE004)

We will pay the Medical Expenses an Insured incurs for covered services that exceed amounts payable by any Other Insurance Plan, subject to the Deductible, Benefit Percentage, and Benefit Period shown in the Schedule. We will determine the amount of benefits provided by any Other Insurance Plan without reference to any coordination of benefits, non-duplication of benefits or similar provisions. The amount of benefits provided by an Other Insurance Plan includes any amount to which the Insured is entitled whether or not a claim is made for the benefits. This Policy is secondary to all Other Insurance Plans.

The first Medical Expense must be incurred within the Loss Period stated in the Schedule.

The Maximum Benefit Amount payable and sub-limits under this policy are shown in the Schedule.

NON-DUPLICATION OF BENEFITS

This provision applies if an Insured:

- is covered by any Other Insurance Plan; and
- would, as a result, receive total medical expense or service benefits that would exceed the expenses actually incurred.

In this case, the Medical Expense for Accident Benefit payable under this policy will be reduced by the excess amount of benefits. The total amount of benefits payable will never exceed 100% of the Medical Expenses or service benefits.

CLAIM PROVISIONS

NOTICE OF CLAIM

We must receive written notice within 20 days after a loss occurs or begins, or as soon as reasonably possible. Notice can be given at Our home office or to Our authorized representative. Notice should include:

- the Policyholder's name;
- the policy number; and
- the Insured's name and address.

CLAIM FORMS

When We receive the notice of the claim, We will send forms for filing proof of loss within 15 days. If We do not send the necessary forms within 15 days, written information may be given that includes the nature, date, cause, and extent of the loss for which claim is made.

PROOF OF LOSS

We must be given written proof of loss at Our home office or to Our authorized representative within 90 days after the date of the loss. If the written proof is not given within 90 days, the claim will not be invalidated or reduced if:

- it was not reasonably possible to give proof within 90 days; and
- proof is given as soon as reasonably possible, but not later than one year from the date it is otherwise required, except in the absence of legal capacity.

If the claim is for a continuing loss for which this policy provides periodic payments, written proof that the loss continues must be given to Us or to Our authorized representative at the intervals We require.

Physical Examination and Autopsy

We have the right to have an Insured examined at Our cost and as often as reasonably necessary while the claim is pending. We may require an autopsy at Our expense unless prohibited by law.

PAYMENT OF CLAIMS

Benefits will be paid after We receive acceptable proof of loss and confirm benefits are payable, but not later than 30 days.

We will pay benefits other than for loss of life to the Insured, unless otherwise stated in this policy.

We will pay benefits for loss of life and any benefits payable to the Insured but unpaid at the Insured's death to the Insured's named beneficiary for this policy. This choice must be in writing and filed with Us, or filed with the Policyholder if We have agreed in advance.

The Insured has the right to change the beneficiary. Unless this right has been given up, the Insured does not need the consent of the beneficiary to make a change.

If the Insured has not named a beneficiary or no beneficiary survives the Insured, We will pay benefits at the Insured's death as follows:

- to the Insured's surviving spouse; if none, then
- in equal shares to the Insured's surviving children; if none, then
- in equal shares to the Insured's surviving parents; if none, then
- in equal shares to the Insured's surviving brothers and sisters; if none, then
- to the Insured's estate.

If benefits are payable to a person who is not legally competent to claim or release benefits, a minor, or an estate, We may pay up to \$1,000 to any relative by blood or marriage whom We find entitled to the payment. This good faith payment satisfies Our legal duty to the extent of the payment.

Assignment of Benefits

The Insured may direct that We pay benefits to a Hospital, Physician or other provider who furnished care, diagnosis, advice or supplies. We are not liable for any actions We take before We receive notice of the assignment. We are not responsible for the validity of any assignment of benefits.

OPPORTUNITY TO REQUEST AN APPEAL

The claimant may request an appeal, in writing, within 60 days after receiving notice of Our initial claim review decision.

The request for an appeal should include:

- the Policyholder's name and the Policy number or group number;
- the Insured's name and mailing address;
- the name and mailing address of the claimant filing the appeal, if different from the Insured;
- the nature of the appeal; and
- any additional information that may have been omitted from Our review or that We should consider.

By requesting an appeal, the claimant has authorized Us, or anyone We designate, to review any and all records (including, but not limited to, medical records) which We determine may be relevant to the appeal. We will review all information submitted and make Our final determination. No additional appeals are available.

Applicable state laws may contain requirements for claims review and appeal procedures. To the extent that this provision is inconsistent with any state law requirement, the requirement that is most favorable to the claimant will apply.

AUTHORITY TO INTERPRET POLICY

By purchasing this policy, the Policyholder grants Us the discretion and the final authority to construe and interpret this policy. This means that We have the authority to decide all questions of eligibility and all questions regarding the amount and payment of any policy benefits within the terms of this policy as We interpret it. We will pay benefits under this policy only if We decide, in Our discretion, that a person is entitled to them. In making any decision, We may rely on the accuracy and completeness of any information furnished by the Policyholder, an Insured, or any other third party. Our interpretation of this policy as to the amount of benefits and eligibility will be binding and conclusive on all persons.

The Policyholder further grants Us the authority to delegate to third parties, including, without limitation, any third party administrator with whom We have contracted to provide claims administration and other administrative services, the discretionary authority granted in this policy. The Policyholder expressly grants such third party the full discretionary authority granted to Us under this policy.

PREMIUM PROVISIONS

REPORTING REQUIREMENTS

The Policyholder or its authorized agent must report to Us any additional information required, as We and the Policyholder agree. We must receive this report before the premium due date.

GRACE PERIOD

There is a 31-day grace period for payment of each premium due after the first premium. This means that, except for the initial premium, if premium is not paid on or before the date it is due, the premium must be paid in the 31-day period that follows. We will consider premium to be paid on the date We receive it.

Insurance will stay in force during the grace period unless the Policyholder has notified Us of its intention to terminate this policy.

If We have not been notified otherwise and the premium has not been paid, this policy will end on the date premium was due.

CHANGES IN RATES

We have the right to change the premium rates:

- at any time there is a change in the coverage provided or classes eligible;
- at any time there is a change in the risks We have assumed; or
- after the first 12 months insurance is in effect.

New rates based on coverage or eligibility changes will take effect on the effective date of those changes. Otherwise, we will give 31 days written notice when we change the rates. Notice will be sent to the [Policyholder's] most recent address in Our records.

REINSTATEMENT AFTER TERMINATION

If this policy terminates for any reason, the Policyholder may request to reinstate it. We will reinstate only if:

- an authorized representative in Our home office agrees in writing to reinstate this policy;
- the Policyholder agrees in writing to accept any written conditions of reinstatement that We impose;
- all past due premiums are paid, including any premium for the time insurance was in effect during the grace period; and
- the premium due from the date of reinstatement until the next premium due date is paid.

GENERAL PROVISIONS

INSURANCE CONTRACT

The insurance contract consists of:

- this policy;
- the attached Schedule;
- any riders or endorsements and
- the application, if applicable.

Statements in an application, in the absence of fraud, are considered representations and not warranties. We will not use any statements in the Policyholder's application to deny a claim or to contest the validity of this insurance unless We provide the Policyholder, the Insured, the Insured's beneficiary or an authorized representative with a copy of that application.

This policy, along with any application in connection therewith, shall be available for inspection by any beneficiary or a beneficiary's authorized representative at any reasonable time at the Policyholder's place of business where the policy is on file.

The insurance contract may be changed (including reducing or terminating benefits or increasing premium costs) any time We and the Policyholder both agree to a change, unless required by law. No one else has the authority to change the insurance contract. A change in the insurance contract must be:

- in writing;
- made a part of this policy; and
- signed by Our authorized representative in Our home office.

WORKERS COMPENSATION INSURANCE

This policy does not satisfy any requirement for coverage under any workers compensation law.

POLICYHOLDER RECORDS

The Policyholder or its authorized administrator will maintain records of the essential features of each Insured's insurance under this policy.

We have the right to examine the Policyholder's records relating to coverage under this policy. Examination may occur at any reasonable time up to the later of:

- two years after this policy ends; or
- the date of final adjustment and settlement of all claims under this policy.

REIMBURSEMENT/SUBROGATION

Applicability

If there is a conflict between the provisions of the Reimbursement/Subrogation section of the policy and the provisions of any Other Insurance Plan, the provisions that provide the greatest rights to Us and this policy govern.

Obligations of Insured

Relating to benefits covered by this policy, an Insured must:

- immediately notify Us of any potential causes of action or claims for a recovery that the Insured may have against a third party;
- notify Us of any agreement with a third party;
- provide Us with a copy of any summons, complaint, or other process served in any lawsuit in which the Insured seeks a recovery;
- provide Us with a copy of any agreement with a third party;

- immediately notify Us of any settlement offer regarding a potential recovery or any payment made pursuant to an agreement;
- obtain written consent from Us before entering into any agreement with a third party involving a potential recovery;
- cooperate and assist Us in enforcing Our subrogation and reimbursement rights;
- provide any information as may be requested by Us related to Our subrogation and reimbursement rights;
- assist Us in any action against any third party; and
- upon Our request, execute a subrogation agreement, assignment of recoveries, and/or reimbursement agreement in Our favor.

If a third party pays the Insured directly based on an agreement, the Insured must reimburse Us the amount of any payments We previously made to the Insured (or for which We may have future responsibility) with respect to Injury covered by this policy. The Insured must hold any recovery or payment (including amounts paid for future medical expenses) and any right of recovery against the third party in trust for Us.

An Insured may not take any action to prejudice Our rights under the policy.

Our Rights

We may:

- take action against any party (including, but not limited to, an attorney or trust) in possession of property or funds awarded or paid as a result of the Insured's Injury if such property or funds should be or should have been paid to Us under this Reimbursement/Subrogation section;
- seek a temporary restraining order against any party to prevent disbursement of any property or funds to which We have a right;
- seek restitution in equity (through the imposition of a constructive trust for Our benefit) from any party for the full amount of benefits paid by Us or for which We may have future responsibility;
- invoke equitable remedies as may be necessary to enforce the terms of the policy, including, but not limited to, specific performance, restitution and the imposition of an equitable lien and/or constructive trust, as well as injunctive relief;
- if the Insured receives a third party payment relating to expenses or benefits paid or payable by the policy, suspend all further benefit payments related to the Insured until the reimbursable portion is returned to Us or offset against amounts that would otherwise be paid to or on behalf of the Insured; and
- if an Insured fails or refuses to comply with this Reimbursement/Subrogation section, terminate the Insured's coverage.

We legally succeed the Insured's right of recovery against a third party up to the amount of benefits We have paid (or for which We may have future responsibility) with respect to the Insured's Injury. We have first priority on any money recovered from the third party, including, but not limited to, any amounts paid for medical costs over the uninsured or underinsured motorist's coverage, medical malpractice or any liability plan. Our contractual right to reimbursement is in addition to and separate from equitable subrogation. Our contractual right of reimbursement may be enforced under the same terms as discussed in this Reimbursement/Subrogation section.

If the Insured is a minor, We have no obligation to pay benefits related to Injury caused by a third party until after the Insured's legal representative obtains valid court recognition and approval of Our 100%, first-dollar subrogation and reimbursement rights on all recoveries, as well as approval for the execution of any papers necessary for the enforcement of these rights.

If We file suit to enforce Our right to recover from the Insured, We reserve the right to be reimbursed for Our court costs and attorneys' fees in relation to the suit.

Priority

If a third party makes any payment to the Insured, the Insured's attorney, or a trust for the Insured's benefit, the payment must first be used to repay Us, the expenses or benefits we paid on behalf of the Insured under the policy. Our rights under this Reimbursement/Subrogation section apply even if the Insured does not recover enough from the third party to fully compensate the Insured for the Insured's losses, the payment is reduced because the Insured contributed, in whole or in part, to the Insured's losses, or any other legal theory applies. If we are entitled to payment under this section, we will not pay any portion of the Insured's attorneys' fees under any legal claim. Our

rights are not reduced or eliminated even if the recovery allocates amounts in whole or in part to nonmedical damages (e.g., pain and suffering).

POLICY TERMINATION

We may terminate this policy at any time. We will give at least 31 days' notice before termination.

The Policyholder may terminate this policy at any time. If the Policyholder fails to pay premiums when due or within the grace period, We will consider notice to have been given to terminate this policy on the date premium was due.

Policy termination will not affect a claim for a loss due to an Accident that occurred while this policy was in effect.

INCONTESTABILITY

We will not contest this Policy after it has been in force two years, except for nonpayment of premium.

All statements made by the Policyholder to obtain this Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, or to deny the validity of this Policy unless a copy of the instrument containing the statement is, or has been, furnished to the Policyholder. After two years from the Policy Effective Date, no such statement will cause this Policy to be contested except for fraud.

CONFORMITY WITH STATE STATUTES

Any provision of this policy in conflict with the laws of the state where it is issued on the Policy Effective Date is amended to conform to the minimum requirements of such laws.

LEGAL ACTIONS

No legal action to recover under this policy can be brought for at least 60 days after We have been given written proof of loss. No legal action can be brought after three years from the time written proof of loss is required to be given to Us.

CERTIFICATES OF INSURANCE

We will deliver a certificate of insurance to the Policyholder for delivery to the Insured, in those states in which it is required. Each certificate will list the benefits, conditions, and limits of this policy

Allowable Expense means a Medical Expense otherwise payable under the policy that is not in excess of the 80th percentile identified on Context4HealthCare (the "Database"). In the event of an unusually complex medical procedure, a Medical Expense for a new procedure or a Medical Expense that otherwise does not have a relative value that is in Our determination applicable, We will assign a relative value. The Medical Expenses We pay may not reflect the actual charges of a provider and does not take into account the provider's training, experience or category of licensure. A provider may charge the Insured the difference between what the provider charges and the amount We pay under the policy. The Database will be updated by us as information becomes available from the supplier, up to twice each year. We may modify the Database in Our discretion to reflect Our experience. We have the right, in Our discretion, to substitute or replace the Database with another database or databases of comparable purpose, with or without notice.

Notice Concerning Coverage Limitations and Exclusions under the Ohio Life and Health Insurance Guaranty Association Act

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract; if they are insured under a group insurance contract, issued by a member insurer; or if they are the payee or beneficiary of a structured settlement annuity contract. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of \$300,000, except as specified below, no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. The association will not pay more than \$100,000 in cash surrender values, \$500,000 in major medical insurance benefits, \$300,000 in disability or long-term care insurance benefits, \$100,000 in other health insurance benefits, \$250,000 in present value of annuities, or \$300,000 in life insurance death benefits. Again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages, the association will pay a maximum of \$300,000, except for coverage involving major medical insurance benefits, for which the maximum of all coverages is \$500,000.

Note to benefit plan trustees or other holders of unallocated annuities (G/Cs, DA Cs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under §§401, 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual, except as noted above. For covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
