All bodily disorders existing simultaneously which are due to the same or related causes shall be considered one Disablement. If a Disablement is due to causes which are the same or related to the cause of a prior Disablement, the Disablement shall be considered a continuation of the prior Disablement and not a separate Disablement. The initial Treatment of an Injury or Illness must occur within thirty (30) days of the date of Injury or onset of Illness.

Only such expenses which are specifically enumerated in the following list of charges and are incurred within one hundred eighty (180) days from the date of accident or onset of Illness and which are not excluded shall be considered Covered Expenses:

This benefit must be approved and arranged by Seven Corners Assist in consultation with the local attending Physician. Emergency Medical Evacuation or Repatriation means: a) the Insured Person's medical condition warrants immediate transportation from the place where the Insured Person is located (due to inadequate medical facilities) to the nearest adequate medical facility where medical Treatment can be obtained; or b) after being treated at a local medical facility as a result of a Medical Evacuation, the Insured Person's medical condition warrants transportation with a qualified medical attendant to his/her Home Country to obtain further medical Treatment or to recover; or c) both a) and b) above. All transportation arrangements must be by the most direct and economical route. **The Emergency Medical Evacuation or Repatriation must be arranged by Seven Corners Assist in consultation with the Insured Person's local attending Physician. Failure to utilize Seven Corners Assist to arrange for these services will result in the denial of benefits.**

Return of Mortal Remains – The plan will pay the reasonable Covered Expenses incurred up to the maximum stated in the Schedule of Benefits to return Your remains to Your Home Country if You should die. This benefit must be approved and arranged by Seven Corners Assist. Covered Expenses include, but are not limited to, expenses for embalming, a minimally necessary container appropriate for transportation, shipping costs, and the necessary government authorizations. **Failure to utilize Seven Corners Assist to arrange for these services will result in the denial of benefits.**

Accidental Death & Dismemberment – Benefits shall be paid to You if You sustain an Accidental Injury. The Injury must occur during the Period of Coverage and death or dismemberment as a result of that Accident must occur within three hundred and sixty-five (365) days from the date of Accident. Benefits payable for any such loss shall be in accordance with the following table: If You incur more than one Loss stated in the following Table as the result of one Accident, only the largest amount shall be payable.

Description of Loss	Percent of Principal Sum
Life	100%
Both Hands or Both Feet or Sight of Both Eyes	100%

The baggage and personal effects must be owned by and accompany You at all times. Benefits will be paid to the maximum stated in the Schedule of Benefits. The plan will pay the lesser of the following:

1. The actual cash value (cost less proper deduction for depreciation at the time of loss);
2. The cost to repair or replace the article with material of a like kind and quality; or
3. Per article limit of \$50.

This coverage is secondary to any coverage provided by a Common Carrier. You must furnish proof to the Underwriter that full reimbursement has been obtained from the airline.

Interruption of Trip – If You are unable to continue the trip due to the death of an Immediate Family member (parent, spouse, sibling or child) or due to serious damage to Your principal residence from fire, flood or similar natural disaster (tornado, earthquake, hurricane, etc.), the plan will reimburse You up to the maximum stated in the Schedule of Benefits for the cost of economy travel, less the value of applied credit from an unused return travel ticket, to return You home to Your area of principal residence. Home Country Coverage - Incidental Trips to the Home Country – This plan covers You for Eligible Benefits related to a new covered Injury or Illness that begins while You are on an incidental trip to Your Home Country. For this benefit, You receive a maximum of thirty (30) days per one hundred and eighty (180) days of purchased coverage or pro rata thereof – example: approximately five (5) days per month of purchased coverage. This benefit is not available for purchases of less than thirty (30) days. You must first depart Your Home Country in order to utilize this benefit, and it does not apply to the final trip home. In the event of a claim, You may be required to provide proof of Your travel intentions. Earned Home Country

Coverage days for the current Policy Period do not extend or carry over after Your Expiration Date. For this benefit, the Medical Maximum is as stated in the Schedule of Benefits, minus Your Deductible and Coinsurance. The incidental trip to Your Home Country must not be for the purpose of obtaining Treatment of an Illness or Injury that began while traveling abroad. This benefit does not provide coverage for Pre-existing Conditions because the Exclusions for Medical Benefits apply.

Home Country Extension of Benefits – This Policy shall pay Eligible Benefits incurred in Your Home Country up to the maximum stated in the Schedule of Benefits, minus Your Deductible and Coinsurance, for a new covered Injury or Illness that begins while You are traveling and is first diagnosed and treated outside Your Home Country. Only those Covered Expenses that are incurred within one hundred and eighty (180) days from the date of Accident or onset of Illness and which are not excluded shall be considered eligible. If Seven Corners Assist evacuates/repatriates You to Your Home Country for a Covered Injury or Illness, the \$5,000 limit for Home Country Extension of Benefits does not apply to the Medical Benefits. This benefit does not provide coverage for Pre-existing Conditions because the Exclusions for Medical Benefits apply.

Incubation clause: Claims for illnesses or diseases that involve incubation periods, which may have prevented early diagnosis of a condition, while on a sanctioned trip, are also eligible. 1. **Notice of Claim:** Written notice of claim must be given to the Underwriter within ninety (90) days after the occurrence or commencement of any Disablement covered by the Policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the claimant to the Administrative Offices of the Underwriter, or to any authorized agent of the Underwriter, with information sufficient to identify the Insured Person shall be deemed notice to the Underwriter.
2. **Claim Forms:** The Underwriter, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing Proofs of Loss. If such forms are not furnished within fifteen (15) days after the giving of such notice the claimant shall be deemed to have complied with the requirements of the Policy as to Proof of Loss upon submitting, within the time fixed in the Policy for filing Proofs of Loss, written proof covering the occurrence, the character and the extent of the Disablement for which claim is made.
3. **Proof of Loss:** Written Proof of Loss must be furnished to the Underwriter at its said office in case of claim for loss for which this Policy provides any periodic payment contingent upon continuing loss within 90 (ninety) days after the termination of the period for which the Underwriter is liable and in case of claim for any other loss within ninety (90) days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible. The Underwriter at its option may pend resolution and adjudication of submitted claims and/or deny coverage for Proof of Loss submitted thereafter, or for incomplete Proof of Loss and/or failure to submit Proof of Loss.
4. **Time of Payment of Claims:** Indemnities payable under the Policy for any loss other than loss for which the Policy provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. All other indemnities will be payable to the Insured Person. If any indemnity of the Policy shall be payable to the estate of an Insured Person, or to an Insured Person who is a minor or otherwise not competent to give a valid release, the Underwriter may pay such indemnity, up to an amount not exceeding \$1,000, to any Relative by blood or connection by marriage of the Insured Person who is deemed by the Underwriter to be equitably entitled thereto. Subject to any written direction of the Insured Person all or a portion of any indemnities provided by this Policy on account of Hospital, nursing, medical or Surgical service may, at the Underwriter's option and unless the Insured Person requests otherwise in writing not later than the time for filing proof of such loss, be paid directly to the Hospital or person rendering such services, but it is not required that the service be rendered by a particular Hospital or person.

8. Patient Protection and Affordable Care Act: This insurance is not subject to, and does not provide certain insurance benefits required by the United States Patient Protection and Affordable Care Act ("PPACA"). The insurance benefits provided by this policy are stated in Your policy documents and do not include any additional benefits required by the PPACA. The PPACA requires certain U.S. residents and citizens to obtain PPACA compliant insurance coverage. Coordination of Benefits is the industry standard practice used to share the cost of care between two (2) or more carriers when an Insured Person(s) is covered by more than one (1) health benefit plan. Our Coordination of Benefits and Services provision is attached hereto as APPENDIX A.

If written request is received after the Effective Date of Coverage, the unused portion of the Plan cost may be refunded minus a cancellation fee, provided no claim has been submitted to the Administrator for reimbursement.

Subrogation

To the extent the Underwriter pays for a loss suffered by an Insured, the Underwriter will take over the rights and remedies the Insured had relating to the loss. This is known as subrogation. The Insured must help the Underwriter to preserve its rights against those responsible for the loss. This may involve signing any papers and taking any other steps the Underwriter may require. If the Underwriter takes over an Insured's rights, the Insured must sign an appropriate subrogation form supplied by the Underwriter.

Insurance Underwriter

This Insurance, under Policy **LON14-141001-01TM**, is underwritten by Certain Underwriters at Lloyds, London, rated "A" (Excellent) by AM Best.

Purpose of This Provision

An Insured Person(s) may be covered for health benefits or services by more than one plan. If he/she is, this provision allows the Company to coordinate what the Company pays or provides with what another Plan pays or provides. This provision sets forth the rules for determining which is the primary plan and which is the secondary plan. Coordination of benefits is intended to avoid duplication of benefits while at the same time preserving certain rights to coverage under all Plans under which the Insured Person(s) is covered.

DEFINITIONS

The words shown below have special meanings when used in this provision. Please read these definitions carefully.

Allowable Expense: The charge for any health care service, supply, or other item of expense for which the Insured Person(s) is liable when the health care service, supply, or other item of expense is covered at least in part under any of the Plans involved, except where a statute requires another definition, or as otherwise stated below.

When this Certificate is coordinating benefits with a Plan that provides benefits only for dental care, vision care, prescription drugs or hearing aids, Allowable Expense is limited to like items of expense.

The Company will not consider the difference between the cost of a private hospital room and that of a semi-private hospital room as an Allowable Expense unless the stay in a private room is Medically Necessary and Appropriate.

When this Certificate is coordinating benefits with a Plan that restricts coordination of benefits to a specific coverage, the Company will only consider corresponding services, supplies or items of expense to which coordination of benefits applies as an Allowable Expense.

Claim Determination Period: A Calendar Year, or portion of a Calendar Year, during which an Insured Person(s) is covered by this Certificate and at least one other Plan and incurs one or more Allowable Expense(s) under such plans.

Plan: Coverage with which coordination of benefits is allowed. Plan includes:

- a) Group insurance and group subscriber contracts, including insurance continued pursuant to a Federal or State continuation law;
- b) Self-funded arrangements of group or group-type coverage, including insurance continued pursuant to a Federal or State continuation law;
- c) Group or group-type coverage through a health maintenance organization (HMO) or other prepayment, group practice and individual practice plans, including insurance continued pursuant to a Federal or State continuation law;
- d) Group hospital indemnity benefit amounts that exceed \$150 per day;
- e) Medicare or other governmental benefits, except when, pursuant to law, the benefits must be treated as in excess of those of any private insurance plan or non-governmental plan.

Plan does not include:

- a) Individual or family insurance contracts or subscriber contracts;
- b) Individual or family coverage through a health maintenance organization or under any other repayment, group practice and individual practice plans;
- c) Group or group-type coverage where the cost of coverage is paid solely by the Insured Person(s) except when coverage is being continued pursuant to a Federal or State continuation law;
- d) Group hospital indemnity benefit amounts of \$150 per day or less;
- e) School accident type coverage;
- f) A State plan under Medicaid.

Primary Plan: A Plan whose benefits for an Insured Person(s)'s health care coverage must be determined without taking into consideration the existence of any other Plan. There may be more than one Primary Plan. A Plan will be the Primary Plan if either "a" or "b" below exists:

- a) The Plan has no order of benefit determination rules or it has rules that differ from those contained in this Coordination of Benefits and Services provision; or
- b) All Plans which cover the Insured Person(s) use order of benefit determination rules consistent with those contained in the Coordination of Benefits and Services provision and under those rules, the plan determines its benefits first.

Reasonable and Customary: An amount that is not more than the usual or customary charge for the service or supply as determined by the Company, based on a standard which is most often charged for a given service by a Provider within the same geographic area.

Secondary Plan: A Plan which is not a Primary Plan. If an Insured Person(s) is covered by more than one Secondary Plan, the order of benefit determination rules of this Coordination of Benefits and Services provision shall be used to determine the order in which the benefits payable under the multiple secondary plans are paid in relation to each other. The benefits of each Secondary plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan which, under this Coordination of Benefits and Services provision, has its benefits determined before those of that Secondary Plan.

PRIMARY AND SECONDARY PLAN

The Company considers each plan separately when coordinating payments.

The primary plan pays or provides services or supplies first, without taking into consideration the existence of a Secondary Plan. If a Plan has no coordination of benefits provision, or if the order of benefit determination rules differ from those set forth in these provisions, it is the primary plan.

A secondary plan takes into consideration the benefits provided by a primary plan when, according to the rules set forth below, the plan is the secondary plan. If there is more than one secondary plan, the order of benefit determination rules determine the order among the secondary plans. The secondary plan(s) will pay up to the remaining unpaid allowable expenses, but no secondary plan will pay more than it would have paid if it had been the primary plan. The method the secondary plan uses to determine the amount to pay is set forth below in the **Procedures to be Followed by the Secondary Plan to Calculate Benefits** section of this provision.

The secondary plan shall not reduce Allowable Expense for medically necessary and appropriate services and supplies on the basis that precertification, preapproval, notification or second surgical opinion procedures were not followed.

RULES FOR THE ORDER OF BENEFIT DETERMINATION

The benefits of the Plan that covers the Insured Person(s) as an employee, member, subscriber or retiree shall be determined before those of the Plan that covers the Insured Person(s) as a Dependent. The coverage as an employee, member, subscriber or retiree is the primary plan.

The benefits of the Plan that covers the Insured Person(s) as an employee who is neither laid off nor retired, or as a dependent of such person, shall be determined before those for the Plan that covers the Insured Person(s) as a laid off or retired employee, or as such a person's Dependent. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision shall be ignored.

The benefits of the Plan that covers the Insured Person(s) as an employee, member, subscriber or retiree, or Dependent of such person, shall be determined before those of the Plan that covers the Insured Person(s) under a right of continuation pursuant to Federal or State law. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision shall be ignored.

If a child is covered as a Dependent under Plans through both parents, and the parents are neither separated nor divorced, the following rules apply:

- a) The benefits of the Plan of the parent whose birthday falls earlier in the Calendar Year shall be determined before those of the parent whose birthday falls later in the Calendar Year.
- b) If both parents have the same birthday, the benefits of the Plan which covered the parent for a longer period of time shall be determined before those of the parent for a shorter period of time.
- c) Birthday, as used above, refers only to month and day in a calendar year, not the year in which the parents was born.
- d) If the other plan contains a provision that determines the order of benefits based on the gender of the parent, the birthday rule in this provision shall be ignored.

If a child is covered as a Dependent under Plans through both parents, and the parents are separated or divorced, the following rules apply:

- a) The benefits of the Plan of the parent with custody of the child shall be determined first.
- b) The benefits of the Plan of the spouse of the parent with custody shall be determined second.
- c) The benefits of the Plan of the parent without custody shall be determined last.
- d) If the terms of a court decree state that one of the parents is responsible for the health care expenses for the child, and if the entity providing coverage under that Plan has knowledge of the terms of the court decree, then the benefits of that plan shall be determined first. The benefits of the plan of the other parent shall be considered as secondary. Until the entity providing coverage under the plan has knowledge of the terms of the court decree regarding health care expenses, this portion of this provision shall be ignored.

If the above order of benefits does not establish which plan is the primary plan, the benefits of the Plan that covers the employee, member or subscriber for a longer period of time shall be determined before the benefits of the Plan(s) that covered the person for a shorter period of time.

Procedures to be Followed by the Secondary Plan to Calculate Benefits

In order to determine which procedure to follow it is necessary to consider:

- a) The basis on which the primary plan and the secondary plan pay benefits; and
- b) Whether the provider who provides or arranges the services and supplies is in the network of either the primary plan or the secondary plan.

Benefits may be based on the Usual and Customary Charge (U&C), or some similar term. This means that the provider bills a charge and the Insured person(s) may be held liable for the full amount of the billed charge. In this section, a Plan that bases benefits on a Usual and Customary Charge is called a "U&C Plan."

Benefits may be based on a contractual fee schedule, sometimes called a negotiated fee schedule or some similar term. This means that although a provider, called a network provider, bills a charge, the Insured person(s) may be held liable only for an amount up to the negotiated fee. In this section, a Plan that bases benefits on a negotiated fee schedule is called a "Fee Schedule Plan." If the Insured person(s) uses the services of a non-network provider, the plan will be treated as a U&C Plan even though the plan under which he or she is covered allows for a fee schedule.

Payment to the provider may be based on a capitation. This means that the health maintenance organization (HMO) pays the provider a fixed amount per Insured Person(s). The Insured Person(s) is liable only for the applicable deductible, coinsurance, or copayment. If the Insured person(s) uses the services of a non-network provider, the HMO will only pay benefits in the event of emergency care or urgent care. In this section, a Plan that pays providers based upon capitation is called a "Capitation Plan."

In the rules below, "provider" refers to the provider who provides or arranges the services or supplies, and "HMO" refers to a health maintenance organization plan.

Primary Plan is U&C Plan and Secondary Plan is U&C Plan

The secondary plan shall pay the lesser of:

- a) The difference between the amount of the billed charges and the amount paid by the primary plan; or
- b) The amount the secondary plan would have paid if it had been the primary plan.

When the benefits of the secondary plan are reduced as a result of this calculation, each benefit shall be reduced in proportion, and the amount paid shall be charged against any applicable benefit limit of the plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is Fee Schedule Plan

If the provider is a network provider in both the primary plan and the secondary plan, the Allowable Expense shall be the fee schedule of the primary plan. The secondary plan shall pay the lesser of:

- a) The amount of any deductible, coinsurance or copayment required by the primary plan; or
- b) The amount the secondary plan would have paid if it had been the primary plan.

The total amount the provider receives from the primary plan, the secondary plan and the Insured Person(s) shall not exceed the fee schedule of the primary plan. In no event shall the Insured Person(s) be responsible for any payment in excess of the copayment, coinsurance or deductible of the secondary plan.

Primary Plan is U&C Plan and Secondary Plan is Fee Schedule Plan

If the provider is a network provider in the secondary plan, the secondary plan shall pay the lesser of:

- a) The difference between the amount of the billed charges for the Allowable Charges and the amount paid by the primary plan; or
- b) The amount the secondary plan would have paid if it had been the primary plan.

The Insured Person(s) shall only be liable for the copayment, deductible, or coinsurance under the secondary plan if the Insured Person(s) has no liability for copayment, deductible or coinsurance under the primary plan and the total payments by both the primary and secondary plans are less than the provider's billed charges. In no event shall the Insured Person(s) be responsible for any payment in excess of the copayment, coinsurance or deductible of the secondary plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is U&C Plan

If the provider is a network provider in the primary plan, the Allowable Expense considered by the secondary plan shall be the fee schedule of the primary plan. The secondary plan shall pay the lesser of:

- a) The amount of any deductible, coinsurance or copayment required by the primary plan; or
- b) The amount the secondary plan would have paid if it had been the primary plan.

Primary Plan is Fee Schedule Plan and Secondary Plan is U&C Plan or Fee Schedule Plan

If the primary plan is an HMO plan that does not allow for the use of non-network providers except in the event of urgent care or emergency care and the service or supply the Insured Person(s) receives from a non-network provider is not considered as urgent care or emergency care, the secondary plan shall pay benefits as if it were the primary plan.

Primary Plan is Capitation Plan and Secondary Plan is Fee Schedule Plan or U&C Plan

If the Insured Person(s) receives services or supplies from a provider who is in the network of both the primary plan and the secondary plan, the secondary plan shall pay the lesser of:

- a) The amount of any deductible, coinsurance or copayment required by the primary plan; or
- b) The amount the secondary plan would have paid if it had been the primary plan.

Primary Plan is Capitation Plan or Fee Schedule Plan or U&C Plan and Secondary Plan is Capitation Plan

If the Insured Person(s) receives services or supplies from a provider who is in the network of the secondary plan, the secondary plan shall be liable to pay the capitation to the provider and shall not be liable to pay the deductible, coinsurance or copayment imposed by the primary plan. The Insured Person(s) shall not be liable to pay any deductible, coinsurance or copayments of either the primary plan or the secondary plan.

Primary Plan is an HMO and Secondary Plan is an HMO

If the primary plan is an HMO plan that does not allow for the use of non-network providers except in the event of urgent care or emergency care and the service or supply the Insured Person(s) receives from a non-network provider is not considered as urgent care or emergency care, but the provider is in the network of the secondary plan, the secondary plan shall pay benefits as if it were the primary plan.

SEVERABILITY OF INTEREST CLAUSE

This Policy shall operate in all respects as if a separate Policy had been issued to each party insured hereunder, except that in no event shall the total liability of the Insurers in respect of all parties insured hereunder exceed the Limit of Indemnity stated in this Policy. - **LSW1001**
