### **Criminal Background & Sexual Offender Check – Information Sheet**

This service is offered to members of any conference in the North Central Jurisdiction who need a background check to complete UMVIM Team Leader requirements or Early Response Team membership. These records are held as highly confidential and will not be released to any organization or individual. If there is a flag on your report, your Conference UMVIM Coordinator or Disaster Response Coordinator will be consulted and advised to be in touch with the background checking agency for the report. They will make the final decision as to whether you qualify for the placement you are seeking within your conference.

You are encouraged to use the Background Check procedure within your own Conference. If you cannot access that process or if it is not available in your conference, please use this option until such time as your conference has its own in place.

With the form submission, please provide contact information for the person who required the report. Each conference has its own guidelines. Please check on the length of time the check is valid.

*Tammy Kuntz*  
UMVIM-NCJ Coordinator
