For the person applying for the Teams Visas:

Make sure you send in a prepaid Envelope for them to return your passports. Keep receipts of all transactions and copy everything. If dealing with someone on the phone be persistent and polite, will get you further. Send in your visa applications far in advance as you can. If you do them on line and have a large team it will take time and patience. You may also want to get a Visa Company to process them but it will cost. Many are listed on the Internet.
